Excellent, thanks Dan! I personally believe that properly-regulated sidewalk dining will contribute positive daytime activity along the Boulevard. Let us know if a formal letter supporting sidewalk dining from our board would be helpful in these efforts moving forward. Thanks for keeping us in the loop.

All,

I wanted to follow up with you all regarding two establishments located along the Walk of Fame – Chocolate Bar (1635 N Vine St) and Juicy Wingz (6340 Hollywood Blvd).

Both of these establishments applied for sidewalk dining along the Walk of Fame. After consulting at length with community stakeholders (including some of you), LAPD and BOE, CD13 is **supportive** of the sidewalk dining at these two locations.

There are, of course, several conditions that must be followed in order for the Revocable Permit to be granted. Some of these conditions may be of particular interest to you, and I am listing them below:

1. All tables/chairs/etc. must be at least **18 inches away from the stars**
2. All tables/chairs/etc. must be removed nightly no later than 11:00 PM and not permanently affixed
3. **No alcoholic beverages** (service, sales or possession) on the sidewalk area
4. No amplified or ambient music/sound allowed in the outdoor dining area

It's important to us to maintain the appropriate balance between enhancing street life and activity along with Walk of Fame while also protecting our one-of-a-kind historic landmark and cultural attraction – AND being cognizant of public safety needs as well.

We believe that the conditions for these two locations achieves this balance. Please let me know if you have any questions.

A wonderful holiday weekend to all,

Dan Halden
